

Summer Email Blast: Circles, Squares, and Original Film

ART IN SAINT LOUIS:

Let's get elementary... It's not often we take time to go back to the basics. Join us at the Soulard Art Gallery for "Circles/Squares...", a showcase of creative work that will homage to the most simple and symmetric of shapes. Local artists will be sharing their unique perspectives combining the shapes that we all grew up doodling in our notebooks, the foundation for all other forms. You won't want to miss this!

The exhibit runs from August 18th through September 22nd. An opening reception will be held on Friday, August 18th, from 7:00pm to 9:00pm, with awards presented at 8:00pm. Additional entertainment will be provided by Linday Gurney.
